

Vizmato is the quick and easy way to edit all your videos! Add ZING to your videos with our Instant FX, themes, and filters.

Join our 4 million+ users now!

With a brand new streamlined UI, instant FX, and so many new features, Vizmato is a whole new experience! Choose a filter or theme to edit your video. Add music from your Apple device's music library or choose from our Viztunes Albums, featuring tracks to set any mood. Become Popular by getting featured. Upload your best videos to Popular, the platform that shares and showcases videos created by users around the world!

- Themes and Filters

Choose from our extensive list of themes, filters, and FX to give your video a fun new twist! Creepy, old-timey, silly, sci-fi and many more themes available.

- Add soundtrack from Viztunes or Your Own Music Library

Choose a soundtrack from the music library on your Apple device, or choose from our available Viztunes tracks. A track for every mood, from adventure to romance, we have the music to take your video to the next level!

- More than 20 Instant FX

Use our video FX to make your video pop! Choose from Visual, Art, Speed, and Camera FX. Reverse your video, slow it down, speed it up, add a voice, or choose another one of our many FX!

- Cut and Join

Cut videos to suit your taste, and join up to 5 videos in your library for a great movie editing experience!

- Share instantly

It's simple to share your video to your favorite media platform. Share with YouTube, Instagram, Facebook, Twitter, and more!

- Connect to other Users with Popular

Share your videos with Popular, our platform that features videos from other users. Get featured with your best videos and get discovered by other users!
